MY MISSION

Each day I make a conscious choice to shape clay into sensual and functional forms for others to use and share.

I seek to infuse my work with a sense of movement; the soft stroke of the hand giving comfort and thanks through use.

Dimensions are approximate and subject to vary due to the fact that each piece is made individually by my hand.

All work is made from a high fired porcelain clay.

All work is safe for food.

Thank you for your interest in my work.

TERMS & CONDITIONS

- Each piece is made from high fired porcelain clay and fired using food safe glazes.
- Each piece is microwave, oven, and dishwasher safe. I always recommend hand washing.
- I require a \$400 minimum opening order for new accounts. Payment due when order is complete. All future orders are Net 30.
- All shipping charges are the responsibility of the buyer.
- A 5% packing fee will be included.
- Please allow 5-6 weeks for completion of the order, for each piece is handmade to order.
- All work is handmade by myself. There are no returns except for work that arrives damaged or not as described. If this is the case, please send documentation within 14 days of delivery and I will send a replacement. There is no refund on shipping charges.

EXTERIOR SURFACE GLAZE OPTIONS

#1-SHORELINE

A glaze combination that reminds me of waves crashing on a beach or what I imagine the northern lights might look like.

#2-LEAFMOTIF

This combination is a simple leaf or bud relief raised on the surface of the pot. A reminder of new growth and possibility.

#3-LOTUSVINE

A simple carving with a shiny glaze.

#4-RIDGELINE

Inspired by the ridge line of the Blue Ridge Mountains near my home. A gentle texture of trees, each piece has a varied pattern.

#5-DOTS

Not a clever name but a wonderful texture on the surface of the pots. Glaze is shiny.
